

THE JANUARY 31, 2011 BIENNIAL REPORT

The District of Columbia Office of Campaign Finance hereby presents the January 31, 2011 Biennial Report, which covers the contributions and expenditures of candidates and political committees for the period from January 2009 through December 2010.

D.C. Law 13-163, the “Campaign Finance Disclosure and Enforcement Amendment Act of 2000”, effective October 4, 2000, as now codified at D.C. Official Code, Section 1-1103.03(7) (2001 Edition), requires the Director of the Office of Campaign Finance to present to the Mayor, the Council, and the general public, commencing on January 31, 2001, and every two years thereafter, a biennial report, summarizing the receipts and expenditures of candidates for public office and political committees in the prior two year period.

The January 31, 2011 Biennial Report depicts contributions by the size of the donation and donor type, in dollar amount and percentage terms, and expenditures by various categories, in dollar amount and percentage terms. Graphs are used to present the percentage terms. Since the submission of the first Biennial Report on January 31, 2001, the Office of Campaign Finance has developed Summary Reports at the OCF Web Site, www.ocf.dc.gov, following each statutory filing deadline, which detail for the reporting period, the dollar amount and percentages associated with receipts by donor type and amount, and expenditures by various categories. These Summary Reports provide the foundation for the cumulative 2011 Biennial Report.

Specifically, the Biennial Report contains the following information:
