INSTRUCTIONS FOR PREPARING THE DEBT SETTLEMENT PLAN

Political committees that settle their debts for less than the full value are required to file a debt settlement plan for review by the Director of OCF. Only terminating committees are eligible to file debt settlement plans. A terminating committee is one that is winding down its political activities in preparation of filing a terminating report and would be able to terminate except that it has outstanding debts and obligations. A political committee will be considered to be winding down its political activities if it has ceased to make or accept contributions and expenditures, other than contributions accepted for debt retirement purposes and expenditures representing payments for debts or obligations previously incurred or payments for the cost associated with the termination of political activity.

Every terminating committee that settles a debt for less than full value shall file at least one debt settlement plan for the Director to review, prior to filing its termination report. The plan should be filed after the creditors have agreed to the settlement. Payments should not be made upon completion of the Director's review.

Debts and obligations subject to debt settlement include amounts owed to commercial vendors, debts arising from advances by committee staff and other individuals, salary owed to committee employees and debts arising from loans from political committees or individuals, including candidates, to the extent permitted under § 3016 (45 DCR 3161, 3180: May 22, 1998).

Debts that are disputed and bank loans are not subject to the debt settlement process.

Committees that file or have filed a debt settlement plan should continue to report each outstanding debt or obligation included in a debt settlement plan on its Report of Receipts and Expenditures until the Director has informed the Committee that review of the plan has been completed.

TREASURER'S RESPONSIBILITIES

A copy of this Plan must be preserved by the treasurer of the political committee for a period of not less than three years from the date of filing. The treasurer of the political committee is personally responsible for the information submitted in the plan and for responding to any request of the Director for information regarding the plan.
