

THE JANUARY 31, 2015 BIENNIAL REPORT

The District of Columbia Office of Campaign Finance hereby presents the January 31, 2015 Biennial Report, which covers the contributions and expenditures of candidates and political committees for the period from January 2013 through December 2014.

D.C. Official Code, Section 1-1163.04(7) (2001 Edition, as amended), requires the Director of the Office of Campaign Finance to present to the Mayor, the Council, and the general public, commencing on January 31, 2001, and every two years thereafter, a biennial report, summarizing the receipts and expenditures of candidates for public office (except candidates for Advisory Neighborhood Commission Member) and political, exploratory, inaugural, transition, and legal defense committees in the prior two year period.

The January 31, 2015 Biennial Report depicts contributions by the size of the donation and donor type, in dollar amount and percentage terms, and expenditures by various categories, in dollar amount and percentage terms. Graphs are used to present the percentage terms. Since the submission of the first Biennial Report on January 31, 2001, the Office of Campaign Finance has developed Summary Reports at the OCF Web Site, www.ocf.dc.gov, following each statutory filing deadline, which detail for the reporting period, the dollar amount and percentages associated with receipts by donor type and amount, and expenditures by various categories.
